Help!

By Ben

Would any of you boys in Troop 270 like to help me Ben write things in the paper. I could use a lot of help to write the articles in this newspaper. You could write a review on a video game or a book you just read. You could also write a cartoon once a month. First you would have to have the idea approved by me. Then you have to get it approved by an adult. After you have gone thru all of this you have to write the piece and give it to me before the final week it is due. This way I can give it to Tom and have him approve of your article. Your article could be one paragraph or it could be a page. If it is a page please give it to me on some sort of saving device (jump drive, floppy disk, CD-R, etc.). You would of course the saving device back. If you would like to do this please call me or tell me in a meeting. **ADULTS!** You can do this to!

My time at camp

By Mark

My first time at summer camp was very fun. I earned merit badges and got a lot of rank advancement. It was a lot of fun going on the 5-mile hike to the Indian springs. I got to do a lot of very fun stuff. I was very happy when I saw a deer for my first time. It was so much fun at Camp Kern.

Summer Camp

By Brennan

On August 1, 2004, Troop 270 attended Camp Kern. When we arrived at the parking lot, we discovered that we had to take a ferry across the lake to get to camp. Once at camp, we had to hike up a large hill just to get to the dining hall. We kept on walking until we got to the Jefferies camp site. During the week we had the opportunity to swim, canoe, hike, and earn beads for the Rainbow Trail award. There were events for the adults and competition for the scouts. On our last night at camp, the camp staff hosted a campfire and Tom, Don, Stan, Dave, and Zach took part in two skits. Although I had a great time at Camp Kern, I was ready to come home to my own bed.

Planning Outing

By Aric

This last month we had a planning meeting for the trips and places we will go in 2004-2005. We wanted to try some new campouts and experiences and we decided on some really good and fun activities. We also set up some new goals in our troop. Don't worry about having your say in this. We had a boy from every age group there to represent you. On this campout it was pretty fun because this was the nicest cabin I had ever been to so it was really comfortable. We slept really good except we were woken up one night because Danny was jumping on an exercise trampoline at like 2 in the morning. He also was stepping on people and walking around in his sleeping bag. I want to thank Tom and his dad for letting us use his cabin.
