Webelos Woods

By Ben

Webelos Woods was a great time. While we were up there we got a chance to earn our Paul Bunyan Award. It was a lot of work though. I had a lot of fun with the Webelos

scouts. It was a shame that we did not get to perform both of our skits. The rest of the skits were really good. Danny, Mark, Matt, and I had a really good time. I have to say that Danny,

Mark, and Matt showed really good leadership up there. Great job guys.

I would like to thank all those boys and adults that helped welcome, the Webelos at Webelos Woods, you all did a great job. Ben, Matt, Mark, & Danny also earned the Paul Bunyan Award by earning their Totin' Chip, helping another scout earn

their Totin' Chip, and doing a two hour service project at Camp Emerson, Congratulations! The Adults, Robin Woolsey, Jerry Dodds (a.k.a Uncle Stinky), Don Herweck, Don Hull & George Fajardo all helped welcome the Webelos boy's and their parents.

George provided a great menu for the adults. Troop 270 and Webelos Parents ran the Cracker Barrel Saturday night for the camp. I received a lot of compliments on your great job.

“Thanksgiving”

At Thanksgiving we always think of everything we are thankful for—things like friends, family, freedom, churches, schools, plenty of food, activities we can do, places we have been. It’s great that we can have things that we are thankful for. Not everyone gets

everything they want, but everyone should be thankful for what they have.

Thankfulness is not having what you want, but wanting what you have. Another part of Thanksgiving is the giving part. Not everyone can give money, but everyone can give time. You can give by doing a good turn everyday.

To do a good turn, you can not be expected to be rewarded (or paid). Maybe you can offer to give groceries for an elderly person, or just do a favor for someone. It can be as simple as holding the door for someone. Whatever kind of good turn you do, don’t take more than a thank you for doing it.

Articles

By Ben

As you have probably noticed, there are not a lot of articles in this newsletter. This is because no one turned them in. The people who were supposed to right something this month never did.

Therefore, if you were supposed to write for this month’s edition you will now write for next month’s edition on the same subject. I expect it by the due date. The people that are writing include, Nick, Austin,

and Andrew. I look forward to reading your articles.
